It's all about
the view

SYSTEM **INVISILINE** SLIDING DOOR WITH INVISIBLE FRAME

FT **FITECHNIC**
INTERNATIONAL

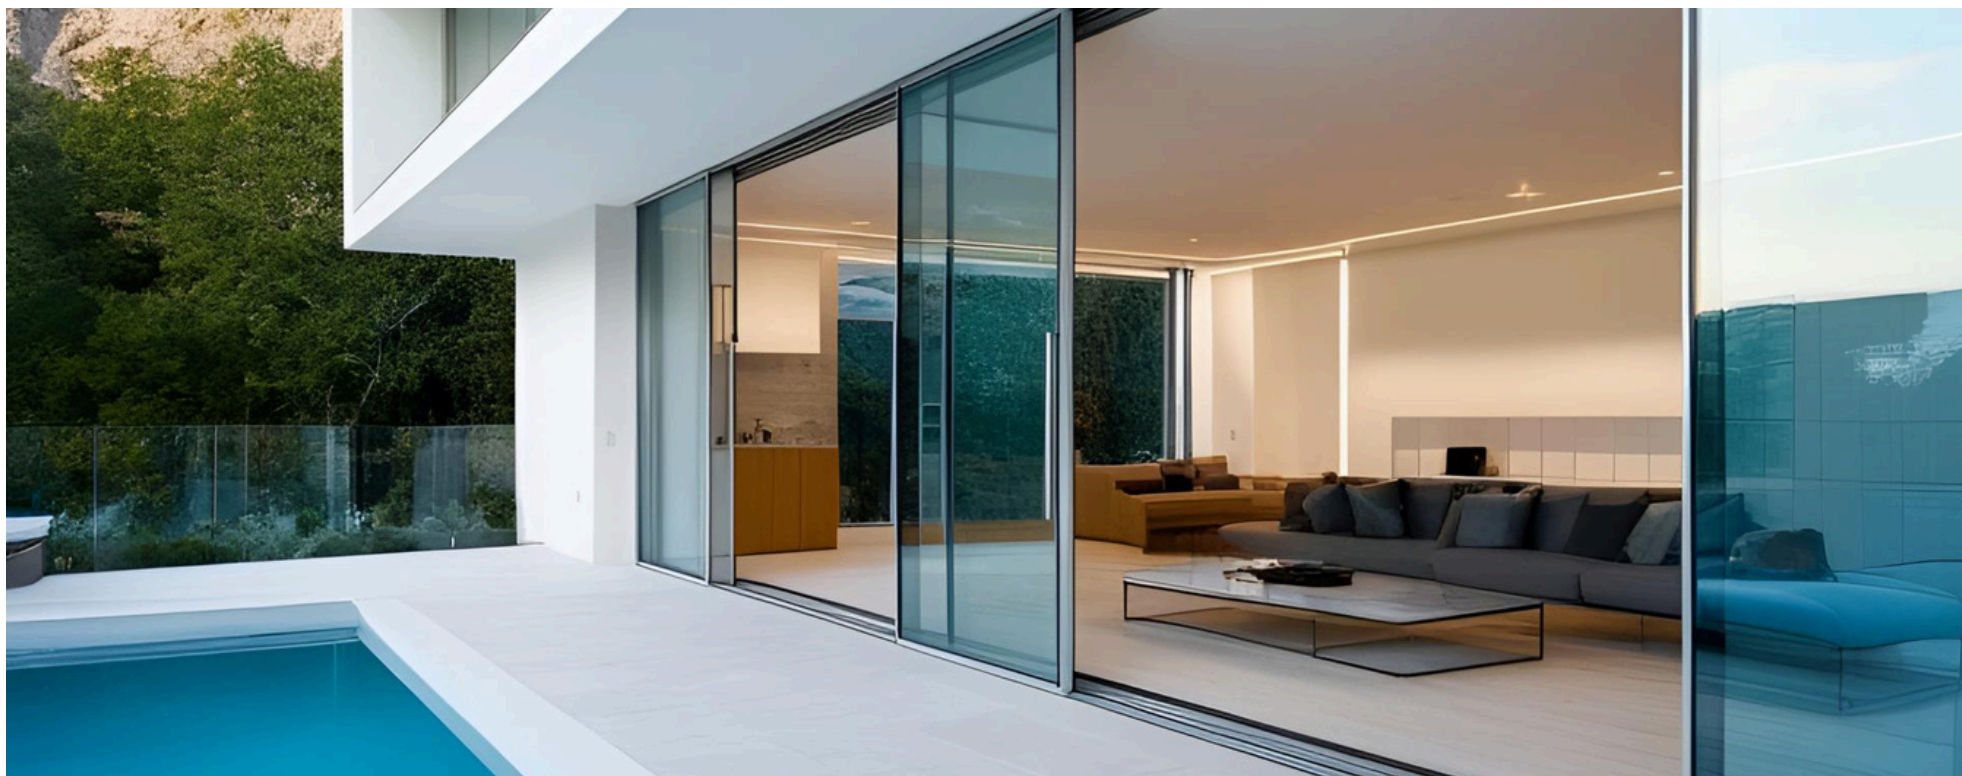

The INVISILINE sliding door system features our narrowest profile design, with an interlock measuring just 20mm, delivering a sleek, modern, and minimalist aesthetic. Constructions built with INVISILINE boast a unique and distinctive design, elevating the appeal of any project. These doors seamlessly connect indoor and outdoor living spaces without thresholds, integrating the natural environment into everyday life. Despite their potential for large dimensions, the slim profile creates an impression of lightness and elegance. With uniform glazing, refined detailing, and a sophisticated finish, INVISILINE is perfectly suited for the high-end construction market.

Features and benefits

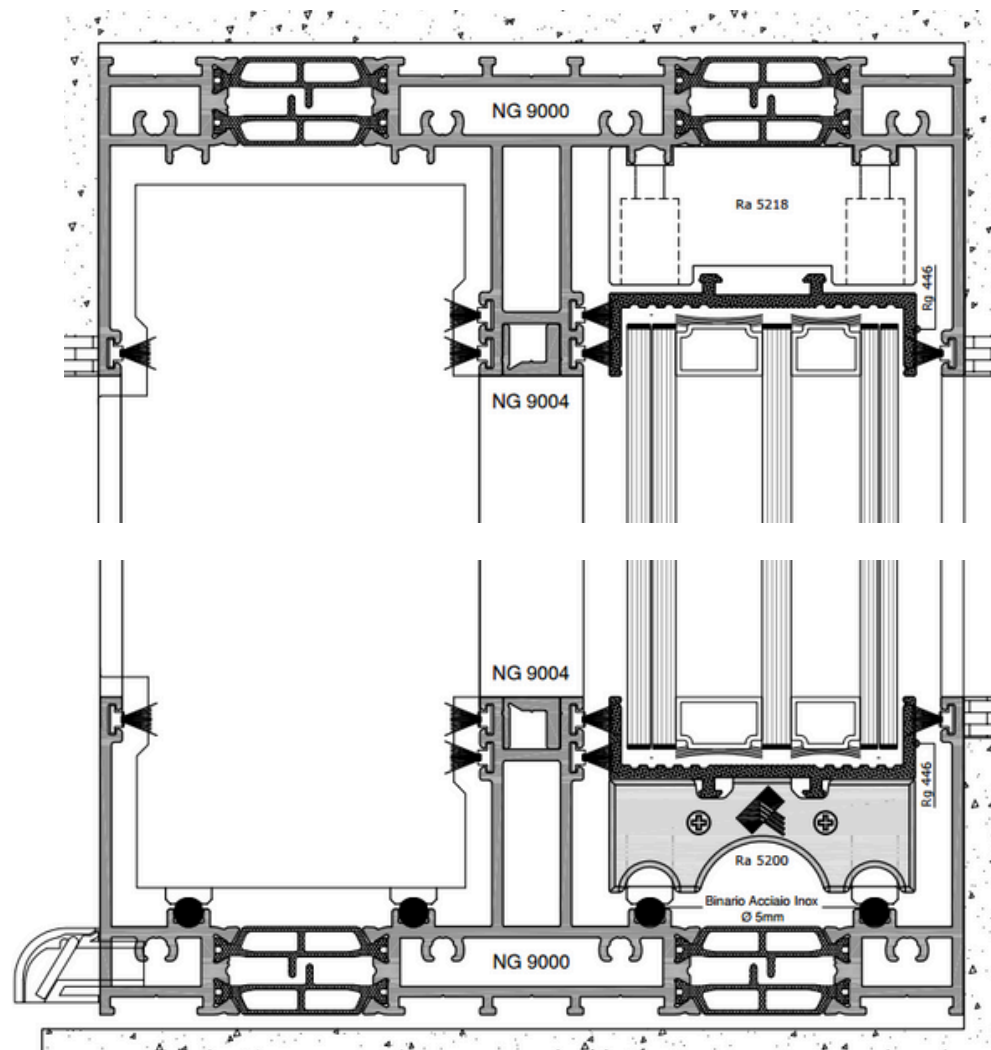

1. 20 & 25 mm interlock width
2. Modern design and high aesthetics: Hidden sash, hidden track, multiple tracks, wall pocket, integrated mullion, open corner options allows for totally expansive view.
